Dearest mother & Daddy:

I got back alright Sunday night. I got home about 3 AM, and slept nearly all night on the bus.

It sure has been hot here this week.

I might go to Bennington this weekend. If I do I'll call you from the bus station about 10 PM.

Haven't heard from you and Bert yet this week. Why?

I still don't get the

Tuscaloosa news. How about calling them up and tell them to send it to me.

Be good & write soon!

Love,

Harold
